2019. Paper Back. Condition: New. 20 The Child's Story (1852) is a parable about life's journey, in which a traveler asks all he meets, "What do you do here?" and they invite him to join them, until it's time to move on. Everyone begins life's journey as a child. From one of the world's most beloved writers comes this memorable parable of life's transitions. His novels and short stories are still widely read today. Born in Portsmouth, Dickens left school to work in a factory when his father was incarcerated in a debtors' prison. Despite his lack of formal education, he edited a weekly journal for 20 years, wrote 15 novels, five novellas, hundreds of short stories and non-fiction articles, lectured and performed readings extensively. He was an indefatigable letter writer and campaigned vigorously for children's rights, education,...
