Imperial War Museum, United Kingdom, 2015. Hardback. Condition: New. Language: English. Brand new Book. It is well to remember that the stomach governs the world. Winston Churchill Mrs. Landemare's food is distinguished. She is an inspired intuitive cook. Clementine Churchill "Churchill's Cookbook" provides fascinating insight into what the legendary prime minister ate during World War II, containing over three hundred delicious recipes created by his personal cook, Georgina Landemare. The celebrity cook of her day, Landemare specialized in creating sumptuous feasts for England's nobility. At the outbreak of the Second World War, however, she devoted her full-time services to the Churchill family, declaring "This will be my war work!" She worked for the prime minister throughout the war; she was up at dawn preparing his breakfast and remained steadfastly in the kitchen until after his last whiskey at night. On VE Night, Churchill told her that he could not have managed through the war without her. With an introduction by Phil Reed, director of the Churchill War Rooms, "Churchill's Cookbook" marks the fiftieth anniversary of Churchill's death and the seventieth anniversary of VE Day. Covering mouth-watering cakes, biscuits, and puddings; healthy salads; and warming soups; this timely publication revives some forgotten British classics and reveals the food that sustained Churchill during his finest hours."
